

Hermon Historian Report
Hermon Town Board
September 10, 2024
Lenore Zaunere, Town of Hermon Historian

*Hermon, organized as Depeau in 1830 by the NYS Legislature
renamed in 1834 to Hermon*

This month we've been updating hermonhistory.org, a website that I launched almost ten years ago as a personal venture. My interest and respect for the history of the Town of Hermon and its beautiful surroundings that my family has chosen to call home for so many years, brought me to this project.

We've received many positive comments about the contents of the website from people near and far who find facts, documents or pictures personally relevant to them or just plain interesting from the historical point of view.

We will continue to update as time goes on; this month, we look back at three September dates in 1924, taken from newspapers published one hundred years ago. They represent a bird's eye view of what was happening in Hermon and around the region a century ago.

Did you know:

- that the women's group, W.C.T.U. , elected delegates to its county convention held in Hermon?
- that West Hermon young people wed during September, 1924 at the end of a lively summer holiday week?
- that the telephone, radio and automobile were considered an electric revolution?

You can read the newly listed articles in two ways:

1. read this September 10, 2024 Board Report online and click on the following web address link;
2. type (or copy and paste) the following web address into the address bar of your browser (Chrome? Firefox? . . .)

http://www.hermonhistory.org/page_files/newsarticles/index_list_newsarticles.html

The 1924 articles are the first three on the list. Each will open up with your .pdf reader or directly in your browser. They are searchable! – so, to find a word, e.g. Hermon, either go to “edit, then find” on your menu bar or “find” or “search” and type in the word. Don't forget to click “submit” or “ok.”

Feel free to look around at other articles – they may open as images so will not be “searchable,” but you could move the pages around and zoom in.

We look forward to your comments and suggestions . . . and enjoy
hermonhistory.org!
